ExamSoft Contact: Bonnie Manning bmannings@wsulaw.edu or (714) 459-1128 Room 312I

ExamSoft will run better on your lap top if you remove all games, videos & pictures.

How to download, install & register ExamSoft v 10.0 on your lap top!

1. Visit www.examssoft.com/wsulaw.
2. Log in using your **Western State University College of Law Student ID number**: *ExamSoft will not recognize "@" in Western State University College of Law's student IDs - replace the @ with the letter "A" or "a" (for example a00001234)*
- and **ExamSoft password**: *Your password is the last six (6) digits of your WSU Student ID. Veteran Students – note this change.*
3. Download, install and register ExamSoft v 10.0 / SofTest
BE PATIENT – each lap top slightly different - 5 minutes at the most.
4. Register ExamSoft v 10.0 / SofTest using your Western State University College of Law Student ID number and ExamSoft password.
5. Go to your desktop and click on the ExamSoft icon.
6. Click Launch SofTest button
7. Check your registration status. Does it say **COMPLETE?**
8. ExamSoft v 10.0 will expire on August 31, 2012.

Remember – do your homework and access the FAQs before you contact ExamSoft support!

Western State University College of Law Fall 2011

ExamSoft v 10.0

How to download your ExamSoft 10.0 templates Templates available in late January

A “template” is created for each midterm / final exam you take this fall semester.
A template is simply an empty document with your exam number programmed in it.

1. You must have an internet connection.
2. Double-click the ExamSoft icon on your Windows Desktop
3. Click 'Download Exam Files'
4. Enter your ExamSoft ID* & ExamSoft Password*
5. Do not enter a download password
6. Select exam file and click the 'Download' button.

***ExamSoft ID*:** Same as WSU Student ID with an “A” or “a” instead of the @

***ExamSoft Password*:** Last six (6) digits of your WSU Student ID

If you do not yet have a lap top computer, you may download ExamSoft on to ANY computer
(the main thing is to activate your account before January 31, 2012
You can then download ExamSoft 10.0 when you have purchased the lap top.

If you are using ExamSoft for the first time, please watch the videos at
www.examssoft.com/softestdemo

If you have trouble please go to www.examssoft.com/wsulaw and log in.
